

Private Teacher Directory

Though it is not required, we strongly recommend enrolling your student in private lessons as a complement to this program. Private teachers reinforce what is taught in rehearsals, provide individualized, one-on-one attention, and expedite your child's learning.

Intro to the IVYSO

The Illinois Valley Youth Symphony Orchestra is a 501(c)3 organization that exists to advance music education through facilitating collaborative classical music experiences for students up to age 22 in the Illinois Valley region.

The Prelude String Orchestra is the new introductory-level string orchestra group. The program is designed to introduce young students to stringed instruments and prepare them for higher-level ensembles.
